

The **1916 Club** is CSL's new monthly giving program that allows supporters to make sustained gifts through monthly credit card charges or checking/savings account withdrawals.

In 1916, a group of 22 forward-thinking women, including Bess Wallace Truman, founded CSL as a way to support children and families in need in our community. Nearly 100 years later, members of the **1916 Club** share the same vision and provide monthly support to ensure that the mission of CSL is met every day.

By joining the **1916 Club**, you can be assured that you're doing your part to make our Eastern Jackson County community a better place to live by providing resources for families to achieve economic stability.
